ABOUT GUNES NUR TAMER

Gunes Nur Tamer was Born in Austria, 1979 . She studied from Süleyman Demirel University Department of Business Administration.

In 2002 she established her own insurance company as a young female entrepreneur and managed to managed multiple agencies in different parts of the Aegean Region. In 2010, the company achieved its success in this sector and started to provide field sales teams with corporate training.

After completing the same successful business life in different sectors, she completed Başkent University International Professional Life Coaching & ICF Coaching trainings successfully.

Tamer, who specializes in 11 different branches from Freud University and New Market University International, is also working with many universities in Turkey within the framework of the academic calendar. She began her professional life coaching in 2015 in general Turkey. She moved in London in 2020 and held her company Maximum Human Ltd. She is continuing her professional activity in United Kingdom, performing individual and corporate training, seminars and workshops
